

Explorer Leader Support Day

21st June 2008

Calling ALL Explorer Leaders in West Sussex!!! (includes DESC's, DESA's, ESL's, AESL's)

West Sussex Scouts and HQ, invite you to attend a Leader support Day, aimed at those leaders, working within the Explorer Section. The day will be a series of Workshops aimed at supporting the section, as well as a chance to meet Leaders from around the County who are also working to the same goal as you!

The final details of the included workshops, is still very much in the planning, however, the sort of things you should expect are as follows:

- Running the Young Leader scheme
 - A Successful Unit Programme
 - The Awards—How to support
 - Running an Explorer Belt !
 - Intl. Expeditions
 - Supporting the D of E

The day will be broken up into sections and the group will be split into two during the day, each of the items will be once twice, so that everyone gets a chance to do all they want!

Young People!!

As well as a day for Leaders, we also thought it would be a good chance to gather 2 young people from each District, to attend the first "County Explorer Forum". A chance for young people to have their say on the future of Explorer Scouting in West Sussex. Their day will also include a trip out to an activity!! Therefore can you please also locate two young people that can represent your District at this event.

The event is being held at Cophorne Scout & Guide huts, once you reply, you'll receive joining instructions, including maps etc....

There is no formal cost for the event, as County are supporting it. However, it's also been suggested that if the "working" part of the day finishes around 4-4:30pm we'll then have a couple of hours to have a BBQ. With this in mind, those wishing to socialise and stick around for that, we're asking for a donation per head of £4.50, this will cover the cost of the food and Drink... Therefore if you wish to also partake in this, please highlight this in your reply.

This event will only take place if there's enough support for it! County are backing it, so it would be good to see a large number of people there.. It's your chance to learn as well as meet others, and have your say about the future of Explorers in West Sussex.
