Shop re-opens on Sat 19 April for the new term. We have made some changes during the school holiday – new cupboards in a separate room allowing more space to serve customers & to display non-uniform gifts, camping accessories etc.

New Stock for Leaders

The Shop is now stocking stone short sleeved shirts & blouses for leaders & Network. We already stock the stone polos. Both just right for the coming hot summer! We still have items of the New Resources in stock. If you have not got your Section's Essentials, Program or Program Plus books then please call in soon. We can show you examples of all the new products.

New Products

A new Adventure Equipment Catalogue has been produced & all leaders should have received a copy with the latest Scouting Magazine. Parents may obtain a copy from the Shop. A very wide range of camping equipment & accessories may now be purchased through Scout Shops. All items in this catalogue & the online catalogue may be ordered from Worthing Shop. Your group then receives the 10% commission. Order in good time before the date you need the goods.
A new main catalogue should be available next month.

Calling Sea & Air Scouts

A blue blouse has now been reintroduced to the catalogue, in addition to the shirt, & a full size range is now stocked at the Worthing Shop.
